

BECOME A MEMBER OF FORUM MUSIC TEACHERS ASSOCIATION!!!

There are several different levels of membership available to you:

Active Member
Junior Member
Associate Member
Retired Member

In order to join Forum MTA, you will need to join MTNA and TMTA, as well (if you are not already a member). You may apply and pay your dues online at www.mtna.org for MTNA, TMTA, and FMTA as listed on that website. But please note that your membership to Forum is NOT complete by simply joining online – you will also need to submit your other required materials to FMTA before your membership can be approved by a vote of the membership.

For active membership, submit:

- (1) a completed FMTA application for membership,
- (2) two letters of recommendation,

You must also:

- (1) attend one meeting as a visitor before joining, and
- (2) have earned a degree or internationally recognized certification with a major in music (or studied your instrument for a minimum of ten years and taught at least three students for three years immediately prior to applying for membership).

After completion and submission of these requirements, the membership of FMTA will vote to approve your acceptance into the organization.
